MEMORANDUM TO FILE

Sir:

On review of the issued patent, the following minor errors were noted:

Column 6, line 41, the word "quality" should be "qualify".

Column 9, line 60, there is a comma missing between "digital assistant" and "a television".

This memorandum is submitted to make those errors of record.

Respectfully submitted,

Jerry A. Miller
Registration No. 30,779
